Help at shows – It is a condition of membership that you help at 1-2 shows during the year.

Show organizers will contact you to ask for help, before a show. We do keep a note of which shows you have helped at, so that everyone gets asked at some point through the year.

Thanks for your co-operation in this matter.

New members joining after 15th September 2016, have their membership carried forward to 2017.
